

LDA presentations

Dr. Manuel Pita & Zuil Pirola

What should be done?

Read the assigned articles and prepare a presentation that includes, at minimum, an explanation about:

- Context
- Data used (Corpus)
- Data preprocessing techniques applied
- Use of LDA and results

Presentations

- Each student must prepare a presentation in PPT format or similar.
- Each presentation should last up to 20 minutes.
- The presentations will take place next Tuesday, November 11th.
- The presentations will be evaluated and will count as the practical component QP1.
